Dear General Walters:

This is a follow-up on our conversation at the Freedom Studies Center earlier in the week. On behalf of our national president, DeWitt James Griffin, you are hereby cordially invited to address the Executive Committee of the Navy League of the United States in Albuquerque, New Mexico, on either the afternoon of March 5 or the morning of March 6.

Your audience would be small in terms of numbers, approximately 50. However, it does represent the senior leadership of the Navy League and those present would hail from every section of the country. If you could take the time to present to that group the views you expressed Monday night, it would be beneficial to all concerned.

Our meeting gets underway with a reception on Thursday night and includes dinner at Summit House on Sandia Peak Friday night. Judging from your biography, you undoubtedly are well familiar with the city and with the peak. If you could take time out from breaking in a new boss and from having to testify before those eight committees of Congress, we'd be delighted if you could join us for any portion of the meeting that your schedule would permit. The meeting will take place in the Sheraton Old Town Inn.

I'll look forward to hearing from you soon. Meanwhile, I'd like to express my thanks for what you had to say Monday; that was a sobering presentation, and one far more concerned and thoughtful Americans should be exposed to.

Sincerely,

Dear General:

 When you have a firm ETA in Albuquerque, it would be appreciated if you would so advise us. Also, will a military driver be meeting you, or shall we? We will be happy to do so if you desire.

If you catch one of the early-afternoon flights from Miami, which would put you into Albuquerque around 1700, we would be delighted if you could join the Executive Committee for dinner at the Summit House Restaurant. I gather the view from the peak is outstanding, and you might enjoy seeing it again.

Otherwise, we'll see you Saturday morning. Jim Griffin would be pleased to have you join him for breakfast on Saturday at 8 a.m. in his suite. The Executive Committee meeting commences at 0900, and you would be the first speaker. Background information concerning the program will be awaiting you at the Sheraton Inn front desk upon your arrival.

We look forward with pleasure to seeing you.

Distinguido Embajador y estimado Amigo -

Just a line to tell you how grateful I am to you for giving me the opportunity to address two such fine audiences. It was most useful in getting our side of the story to the public.

I am most grateful also for the splendid dinner to which you so kindly invited my sister and her husband as well as myself. It was a most delightful occasion attended by most interesting people and I really enjoyed it!

Once more I am much in your debt. I hope our paths cross soon again. The sooner the better.

Ever truly

Dear Dick:

To say the least, we got the word!

That was indeed a tremendous presentation - lively, witty, profound, and stirring. It gave us much food for thought. Be assured CIA gained many supporters last Saturday. So also did Dick Walters!

You'll probably have more invitations to speak now than you can accept, since I know many of those present will want you to come to their cities. This is all to the good, though, for it does provide you some superb opportunities to bring about a better understanding of what intelligence means today. And there's no doubt that we need to be reminded of that, too.

Thanks again for coming, and for taking the time to have breakfast with us, too. I sincerely hope that personally and officially our paths will cross again soon.

Sincerely,

General Walters:

I notified Navy League that you would be arriving Albuquerque around 8:30 p.m. on Friday evening, 5 March, so that would put you in there too late to join them for dinner at the Summit. Also notified them you would be met.

National President James Griffin is inviting you for breakfast at 0800 at Sheraton Inn on the 6th.
